

Mp3 The Deciders - Unequivocal Ep

[DOWNLOAD HERE](#)

Driving bluegrass band which constantly reconciles its love/hate relationship with both traditionalism and pop culture. 6 MP3 Songs COUNTRY: Bluegrass, FOLK: Folk Pop Details: More familiar with the Decemberists than Bill Monroe, with firmer allegiance to Nirvana than Flatt and Scruggs, the Deciders are doing their best to reconcile these polarities. On the surface, the Deciders are a bluegrass band. However, you'll find no (sincere) references to the high lonesome sound here; rather, fascinations with gentrification, fashion, pornography and pop culture abound. For, this is the world in which these city-fied twenty-somethings live. They can't help but inject their worldviews into the genre of music they've chosen and make no apologies for their apparent indifference to traditional formulas: take what you like, and leave the rest. And, they've kept the best part: fast, hot pickin' and poppy, soulful harmonies. The Deciders are a bluegrass band, not for the ages, but for right now.
