

# Mp3 The Sour Notes - The Meat Of The Fruit

[DOWNLOAD HERE](#)

The Sour Notes are an Austin, Tx pop band formed in 2008. "Their allure is an easy one--dreary yet rich pop ballads that ease you through the gloom with melodic charm and earnest sweetness." - Baltimore City Paper 6 MP3 Songs in this album (24:15) ! Related styles: POP: Dream Pop, ROCK: Psychedelic People who are interested in The Beach Boys Jawbreaker Death Cab for Cutie should consider this download. Details: Since their formation in 2008, The Sour Notes have recorded 2 albums (The Meat of the Fruit, Received in Bitterness), 7" record (Never Mix, Never Worry) and have toured the United States to much critical acclaim. "Principle Note--Jared Boulanger crafts beautiful and questioning melodies that are rife with a direct pop angst, unexpected samples and keyboard bursts that manage to keep the songs fascinating through repeat listens." - Austin Sound.
