

Sculpture Off The Pedestal: Monuments And Their Makers

- Joan B. Altabe

[DOWNLOAD HERE](#)

Sculpture Off the Pedestal is a behind-the-scenes look at the creative process of 25 leading sculptors from the Renaissance to the present through their own words or those who knew them. Aiming to avoid dry-as-dust art histories, Sculpture Off the Pedestal puts old and modern master sculptors by the reader's side, emptying their heads about their work and their ways of thinking. The book is intended not only for the art student or art lover, but also for the untutored and those who think of art as a remote subject. Most art histories focus on painting. Chronicling the lives of sculptors in and out of their studios fills a gap.

Author: Altabe, Joan B.
