

Suddenly In The Depths Of The Forest - Amos Oz

In a gray and gloomy village, all of the animals from dogs and cats to fish and snails disappeared years before. No one talks about it and no one knows why, though everyone agrees that the village has been cursed. But when two children see a fish a tiny one and just for a second they become determined to unravel the mystery of where the animals have gone. And so they travel into the depths of the forest with that mission in mind, terrified and hopeful about what they may encounter. From the internationally bestselling author Amos Oz, this is a hauntingly beautiful fable for both children and adults about tolerance, loneliness, denial, and remembrance.
