

# Beach Night Atmos Sea Waves Crickets Cicadas (sfx Wav)

[DOWNLOAD HERE](#)

Recorded on a beach in California at the dead of night, all that can be heard in this recording are crickets, cicadas and distant gentle waves. All files on sale by Sevenleaf SFX have been recorded by professionals and as such are royalty free. They are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
