Colors of Love By Ann Jacobs On the run for his life. All he wanted was a chance to live long enough to testify against the mob. Tampa architect Zachary Lang comes to magic practitioner Selena Cross looking for a place to hide from the people out to keep him from his day in court. Instead, he discovers a submissive soulmate. Looking to find the love of her life. Although Zach doubts his lover's colorful magic stones and incantations can shield him from harm, he's in for a surprise. She tells him to trust the stones and follow his heart, and he discovers she's right. The stones are magic after all. And their love has magic all its own.
