

Elastic Multibody Dynamics

[DOWNLOAD HERE](#)

From the contents - 1. Introduction; 2. Axioms And Principles; 3. Kinematics; 4. Rigid Multibody Systems; 5. Elastic Multibody Systems The Partial Differential Equations; 6. Elastic Multibody Systems The Subsystem Ordinary Differential Equations; 7. Elastic Multibody Systems Ordinary Differential Equations; 8. A Short Excursion Into Stability And Control. References; List of Symbols; Index. EAN/ISBN : 9781402086809 Publisher(s): Springer Netherlands Format: ePub/PDF Author(s): Bremer, H.
