Safe Guard Your Work From Potential Thieves And Annihilate Anyone In Court If They Mess With Your Property! Intellectual Property Guard Contains All The Information You Need! You really can become the master of your idea and your future! I'm going to show you how to optimize your application and streamline the process to get your idea seen. You don't need a large amount of money to start this. In fact, it costs nothing to get started in some instances. The best part is that you don't have to worry about someone else coming along and taking credit for your idea and hard work! You can really do this and it really is easy. My Book Intellectual Property Guard Will Show You Exactly How To Get Started! Here's just some of what you're going to learn... \* Secrets of What Can Be Patented - learn how to research the different types of patents and know how to choose the right one for your idea. \* How To Put Together A Killer Application- Don't waste time trying to figure out how to put together a good package...let us show you exactly how! \* How To Navigate The Patent System - Only Intellectual Property Guard has the insider info on how to get through the sometimes-complicated system that is the federal patent office.
