He has played with such legends as Bill Monroe, The Stanley Brothers, Hylo Brown and The Lonesome Pine Fiddlers. He is currently touring with Melvin Goins and Windy Mountain. The term "Pioneer" is a good fit with this elder statesman of Bluegrass Music. DON RIGSBY: Don is a multi-award winning singer and producer from the hills of Eastern Kentucky. The Boman, syndicated radio host calls Ernie "The best Bluegrass singer on the planet". When interviewed on the subject, Thacker and Rigsby agreed that the main reason to record this project was the chance to work with the legendary Melvin Goins. For Goins, it was a chance to impart some of the wisdom he has learned from the University of Hard Knocks to a couple of willing students. We hope you enjoy the album.
