

Mp3 Annie Chang - Adventurous Diary Of Annie

[DOWNLOAD HERE](#)

Wanna know what Chinese Pop Rock is all about? Mandarin singer/songwriter Annie Chang brings you a good blend of Chinese and Japanese Pop Rock. Come on in and listen to the music. It'll be something new and fun. 10 MP3 Songs POP: Party Pop, WORLD: Asian Details: Annie Chang a girl from Taiwan was raised in Japan, and grew up in a music filled environment. She started singing and performing at the age of 8 through chorus, ensembles, and band. At the age of 16, Annies band Outrageous was scouted at a live performance competition by Sony Records, Japan. In the following year, her band released their first pop album Girls Club in Asia. Today, Annie is a published singer/songwriter in Taiwan. She released her first solo album Adventurous Diary of Annie in December 2005. Her music videos can be seen on MTV Asia and her music is played on all radio stations throughout Taiwan. Her music is much influenced by artists such as Avril Lavigne, and Japanese bands such as Love Psychedelico, Everylittle Thing, Yaida Hitomi. All in all, Annies music embraces sounds from her multi-cultural background. With her passion and dedication, she is looking to give a fresh perspective to the music industry.
