

## Mp3 Band Of Fools - Footsteps

[DOWNLOAD HERE](#)

A celebration of American music(country, blues, folk and rock), with a nod to the Sons of The Pioneers in the backing vocals and to Buddy Holly, Neil Young, John Fogerty(among others) on guitar ... some say it sounds like T.Rex gone country. , 15 MP3 Songs COUNTRY: Country Rock, COUNTRY: Modern Country Details: Music from the Soft Underbelly ... it's "Honky Tonk Time" in The Heartland. "A POOR MAN'S TOM PETTY" Raw ... Swamp/Country/Rock reminiscent of Creedence or early Stones as done by a Kenny Chesney or Toby Keith, with a hint of Jimmy Buffett. "A strange Brew ... potent!" Crank it up! Now's as good a time as any .... "This here is a last chance warning/the creek is risin' don't hang around/that there is a bad news omen/get your butt to that higher ground." Yeah, move your feet -- your head will follow. "T REX GOES COUNTRY "
