Spoken word with music and percussion 5 MP3 Songs SPOKEN WORD: With Music Details: Poet, performance artist and musician Barry Barnes, aka B. BOB.B., creates pieces that make people think and question as well as have a good time. He plays hand percussion, harmonica, keyboards, washboards and guitar. Many of his works are political in nature but not judgemental. He strives to help people understand what is going on in the world around them. His quick wit and sense of humor make him a favorite with kids of all ages. His analysis of the world media always draws a crowd during live performances on the street and in the concert hall. Barry performs solo as well as with several ensembles including The Bopaphonics, Billy Ebeling and the Late for Dinner Band, Uncle Dirty Toes, Ernest James Zydeco, and interdisciplinary artist, Stacey Fox
