Ballads, shouters and a good dose of fiddle and banjo make up the musical landscape. "It's family music that kicks dust in the face of stodginess". Strong singing, good picking and good solid songwriting is what you get. Accept no substitutes. 11 MP3 Songs FOLK: Power-folk, COUNTRY: Country Folk Details: Kin Kin is the long awaited CD by Bob Lucas and Chloe Manor. Long awaited not by any industry types or standards. Long awaited only because they have sung together as father and daughter for years and now after much cajoling and convincing by many dear musical friends they have released this disc. "It's for the folks we love and ourselves that we have made it" Chloe has said. "It's because we're all growing up a little bit everyday and this puts some of here and now in a can for later" says Bob. Eleven tunes of all sorts. Ballads, shouters and a good dose of fiddle and banjo make up the musical landscape. "It's family music that kicks dust in the face of stodginess". Strong singing, good picking and good solid songwriting is what you get. Accept no substitutes.
