

# Mp3 Chance: Six Through Ten - Rock: Modern Rock

[DOWNLOAD HERE](#)

Ok, take Queens of the Stone Age and put it in a blender, but with what? Radiohead? Foo Fighters? Shiner? It's a start, you're getting there. You say "No, REALLY bend my mind." Ok, add a dash of Bjork, a hint of Coldplay, a smidge of Outkast and serve. 7 MP3 Songs ROCK: Modern Rock, POP: New Wave

Details: Chance... After years leading a band called Portable ... (2 nationally released albums, Woodstock '99 etc) 2004: Chance goes solo. mynameischance.com. Begins building burgeoning fan base and grass roots spreading of the good word. Releases MP3 singles about once a month on web site. Served up as mini-events, each single contains, lyrics, online poster, samples, alternate version (sometimes), genesis (how the song came to be) and geek out(you'll understand it when you see it.) After 5 singles are released... October 2, 2004: Chance releases 1st 5 demos as an online only CD EP. This EP is written, performed, recorded and produced by Chance (but also includes his take on Radiohead's Creep.) All songs are also individually available as downloadable mp3 format. The lead-off track, Say What You Will, is currently #02 at GarageBandand is being spun on the following radio stations: Adam Curry's Daily Source Code (Podcast) UK Insomnia Radio Podcast (Podcast) USA Indiefeed(Podcast) USA Coverville(Podcast) USA AccidentHatch(Podcast) USA Amplified (Podcast) USA Pop Bang Radio (Internet) USA Planet of Sound TK (Internet) United Kingdom The Open (Internet) USA Lone Bull Radio (Internet) USA City By Night (Internet) UK River City Radio (Internet) Canada Powerstorm Radio (Internet) USA City of Glass (Internet) USA IndieRadiolive(Internet) USA 3FM (The Netherlands) Airplay Radio (The Netherlands) Newstyle FM (The Netherlands) Rising Flow Radio (The Netherlands) 105.7 FM Salt Lake, UT USA 88.1 KNTU FM Texas USA January 29th, April 9th: 2005: Chance performs live as Chance the Choir (with full backing band). April 12th, 2005: Chance releases 2nd 5 singles as an online only CD EP. All 5 singles are available as individual mp3 downloads. The 2nd track, Taste of the Good

Life is currently #12 on Garageband.com. April 12th, 2005: Debut of MyNameisChance Comix, an online comic strip at mynameischance.com. Stories by Chance and illustrations by the talented artist, Zero. One more thing: The Friends of Chance Cover Song. All in good fun, the fans on the Friends of Chance Message Board suggest then vote on a song for me to cover. Once the song is decided, I re-imagine, record and release exclusively for them on my board. The first was Creep (Radiohead), the 2nd When Doves Cry (Prince) and the latest is the Milkshake Song (Kelis). That's right, the Milkshake song. It's just my way of giving back. I am underground...for now. mynameischance.com All Chance songs written, performed recorded by Chance. 2004-2005 Upside Down Left Handed Music (BMI)
