Melodic CMJ-style indie guitar pop 6 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: FLIGHT OF MAVIS Frank Brown-Guitars, Vocals Dave McElroy-Bass Ken Buono-Drums Produced by Gene Holder, Nick Sansano "I guess you'd call this typical college alternative rockin' pop if it wasn't so dang great. The songs just grab at your lapels and pull you close, the melodies stick, the performances are dynamic and sincere. I love it." Scott McCaughey-The Rocket 6/91 Flight of Mavis is doing everything themselves, and their second CD release is an impressive leap into prominence." Stephen M.H. Braitman-Alternative Press #40 "He has learned to focus his songs into small missiles." Tom Moon-Philadelphia Inquirer 5/91
