

Mp3 Joel Ceballos - Nocturnal

[DOWNLOAD HERE](#)

Singer-songwriter mixing traditional folk with rock, pop, and electronic music. 11 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: Singer-songwriter Joel Ceballos has been delicately crafting his music for the last ten years in the rigors of the LA music scene. In 2003, his successful debut *Between Dark Light* was greatly received amongst industry peers and quickly made him a fan favorite. The self-released record gave Ceballos the opportunity to share the stage with the likes of Maroon 5, Duncan Sheik, Alice Peacock, Los Lonely Boys, and numerous others. The record also helped lay the groundwork for brilliance to come and garner the attention of independent label Rise Fall Records. His sophomore effort *Nocturnal* is, by its very nature, the core of all things human. Both insightful and inspiring, it challenges the listener to take a deep look into themselves and the world around them. Taking on the role of producer, Ceballos set out to capture a heartfelt snapshot of the turmoil that exist today and the hope that exists for tomorrow. The end result is a musical and intellectual record that exemplifies why we fell in love with music in the first place.
