

## Mp3 Julie Dexter - Conscious

[DOWNLOAD HERE](#)

Conscious is a blend of old school soul mixed with some latin grooves and Julie's signature jazzy, reggae vocal stylings 11 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Contemporary urban Details:

Introduction: Conscious is the long awaited follow up to Julie Dexter's Peace of Mind and Dexterity which combined have sold over 40,000 copies in their limited release. A dynamic singer/songwriter /composer and producer hailing from Birmingham, England, Julie's artistic passions flow in her latest effort, an insight to her muse on love, trust, and the plight of perseverance. Blending the signature brand of meditative funk and soul from label mate Michael Johnson with her jazzy reggae vocal stylings, together they have produced Conscious.
