Instrumental relaxation music, designed and tested to accompany the healing environment 8 MP3 Songs
NEW AGE: Healing, NEW AGE: Meditation Details: The Chakras CD music incorporates Alpha State
Tempo Mapping (starting at or below a tempo of 60 bpm and gradually slowing down throughout the
piece). Each piece begins with 30 seconds of water sounds and a drone (Ohm Space) music element in
the proper Key Note for that Chakra. Each piece is 7:30 minutes in length, allowing for easy Session
Timing. Totalling one hour. Inside, there is an information chart about Chakras, including body positions,
English-Sanskrit names, definitions, associations, elements, colors, musical keys. Testimonials: "I play
The Chakras CD continuously during therapy sessions, which enchances the healing environment for my
patients as well as myself" Howard Richmond, MD. Psychotherapist. "The Chakras CD has been played
countless times in our massage rooms. It was tested here many times for effectiveness during the "in
production" process of creating the CD. Good job, Kristopher." Jerry Lawrence, Vitality Training Center,
Solana Beach, CA On the other hand, The Chakras CD is great atmospheric background, mood setting
music without the listener paying any attention to which Chakra each piece is based on. Kristopher Stone
is a multifaceted creative professional specializing in studio recording, music production, composition,
song writing, etc... The Chakras CD musci has been use many times on other CDs as background music
for spoken word.
