Details: THIS CD IS OUTSTANDING!!! Independent artist, Larry Lupole's hot new music cd, Classic Fantasy, has something for everyone. Larry knows that you'll enjoy his songs. On Larry's new music cd, Classic Fantasy, you'll listen to music and hear the songs that were written and recorded for your listening pleasure. When you listen to music from this independent artist's music cd, you'll know that it was written from the heart of one of the most romantic Independent artists around. Independent artist, Larry Lupole, has been performing for over 30 years, and you can view Larry's biography page for a more detailed history. Larry's Classic Fantasy cd doesn't just sound like The Beatles or The Rolling Stones, it's woven intricately into the seventies era. The Beatles, The Rolling Stones, Grace Slick and The Jefferson Airplane, Eric Clapton. Hey! Wasn't that a time of romantic love and beautiful music? A veteran performer, Larry toured Europe with Special Services entertaining military troupes. Following his performance on The Access Program on Channel 46 television, in Binghamton, New York, interest in his music sky rocketed. Standout cuts like "Classic Fantasy", "Hey Babe" and "Street Sleepers" are uptempo masterpieces. While "My Love", "You Are My Wife" and "My Lady" will create a sensual atmosphere you can appreciate on that special night.
