Tight songs wandering through a landscape of places, people, beautiful vocals, ballads and pure joy. 14 MP3 Songs ROCK: Acoustic, POP: California Pop Details: Moedog Darling is a singer-songwriter from Southern California who has been writing music since she was in her teens. Her songs vary from Weill-esque ballads of observation to torrid songs of frustration. Equally at home on guitar or piano, Moedog accompanies her wide vocal range creating intimate and powerful music. Her first release, "Parlour Flattery", is a collection of tight songs involving every emotion. Moedog's vocals shine on this record as she begs the listener to come along on a journey through break-ups, happiness, disappointment, and all the wonderful things that make life what it is.
