Passionate, heartfelt melodies which only the piano and this performer can share with you.. 12 MP3 Songs NEW AGE: New Age Details: " A Beginning" Jan. 29, 1951, touch down, a safe landing in New York. My parents were 25 years old, my sister was two and a half and I was seven weeks old. It was a new country, a new opportunity, a beginning. June 10, 1958, East Chicago, Indiana. Our neighbors were moving away and were giving our family their Gulbransen upright piano. " I need six men" my mom was saying, to help get this monster in the basement. This was my beginning to discover my passion for music and the piano. Sept 30, 2002, my sister in Spain was asking me to record some music that she could give to her family as a memento. The timing was right. After over 40 years of playing alls styles of music it was my time to put a pencil to the manuscript paper , write and record my music....and so it is ... " A Beginning".
