Soul Hip Hop 13 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Alternative Hip Hop Details: 3 Inside secrets to being Romantic Secret 1 if you think romantic means weak, mushy, or unrealistic, then stop reading. this musical expression is NOT FOR YOU. in our world, romantic means passion, snapping, alive, zealous, and power. and who better to express these feelings than miquiel banks, an award-winning editor and writer. Listen to the raves he gets from those who have experienced ROMANTIC. When I first heard the song Headlines, I was tripping, asking myself, where did this guy come from? And the way his voice bellowed on the hook, did you read the local headlines? I knew then that Miquiel Banks is the answer. . . to 2pac! DJ Kevin - Newnan, Georgia Still Standing is, by far, one of my favorite songs! I bump this song when I'm on my way to work! Stewart Watkins - poet, writer, and master herbalist (Atlanta, Georgia) I'm not too hot about hip hop, but there's something special about this guy. His biggest problem is his lyrics. It takes most folks 5 or 6 times to even understand where he's going. Lucky for me, I interviewed him and he explained it all. PGB - Independent filmmaker, music critic (Portland, Oregon) When he Proposed is a hit and I'm waiting for him to release it to the world. You'll be glad he did. Melanie Ferguson - professional graphic designer (Peachtree City, Georgia) Secret 2 I know, I know. Why deal with a boring topic like romance? But like many things, it's not that we didn't get it, we didn't understand it. Like the lies they told us in high school and with George Bush's cheating to win the election, we live in a world full of deceptions and problems. Like Bob Marley, MB takes the "real news" and delivers it "raw" to the people. If you don't know what romantic means, buy the CD and you'll be able to rave to your friends and to your family about the "secret" of romance. It ain't all mushy and weak, being romantic is a heroic thing. For example, Malcolm X's journey to find the truth was romantic and it fell in the realm of passion. Passion is just one of the virtues of being romantic and after a few repeats of this

CD, you'll discover the others. Secret 3 When Morris Brown was deep in debt with problems, MB didn't stand by and do nothing. He went within his soul and unleashed the powerful single Dear Ole Morris Brown. Visually-appealing and laced with energy, this song delivers the impact of 1,000 people walking through the streets of ATL. From The Children to Chasing Dreams, Romantic pushes the hip hop genre to elasticize like a rubber band, to open its mind, and to embrace its enchanted future.
