

## Mp3 Shawn Zevit - Sanctuary

[DOWNLOAD HERE](#)

A soulful and passionate mix of folk, rock and rhythm and blues, Zevit's CD charts the seas of the spirit- the path of love, loss and longing on life's journey. Includes musicians who have played with Van Morrison and other greats. 15 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: Shawn Zevit, (rabbizevit.com) originally from Winnipeg and Toronto, Canada, now resides in Philadelphia, PA. He has been a singer, songwriter, actor, performer and liturgist for over 20 years- performing concerts, interactive music and theater events, and weaving song into a variety of performance, teaching and consulting venues around North America and the world. He is also an author, playwright, poet and spiritual leader. Shawn's music draws on many styles from folk to Indie rock to rhythm and blues and beyond. His CD "Sanctuary" weaves a dreamscape of the inner journey in life through love, loss and longing in an inspirational and soulful experience. One can almost imagine the film version of the CD weaving its way through a variety of characters and experiences in complex and moving lyrics, and soulful melodies. Produced in Philadelphia at Radioactive Productions, "Sanctuary" builds on Shawn's songs and rhythm guitar work, with the excellence of leading independent musicians who have played with Van Morrison, Sly and the Family Stone, the Saturday Night Live band and many other artists. Once you have welcomed this CD into your home- you will find yourself returning to it again and again for inspiration and introspection, to move and dance, and celebrate the passages of life!
