Details: Thom Landt is a extraordinary talented Singer/Songwriter/Guitarist who hails from Southern California. His AmericanaCountry Rock laden music is filled with soaring vocal harmonies, tons of electric, acoustic, slide pedal steel guitars, along with a muscular rhythm section as exhibited on his debut album; Bordertown. If a listener could imagine the sound of the Byrds, Buffalo Springfield, Poco, Stephen Stills Manassas others all mixed together on steroids, that would probably best describe this artist. Although other influences could easily be described, let the music do the talking, and you be the judge of what best comes to mind...probably that Thom Landts music sound is uniquely his own. Fresh off the heels from working intimately and intensely with his good friend Paul Cotton of the legendary country rock band Poco, Thom started in on the writing recording of Bordertown a musical journey comprised of self-penned songs based on true life experience, whether it be from joy, sorrow, regret, to rejoice hope...theyre all from the heart. Possibly, these songs will make their way into your heart.
