Details: I am not going to bore you with a lot of crap about what I've been doing with my music career the last 20 plus years. However, I can tell you that at age 51, I've just about done it all! At one point, I had enough, and gave it up for a good while. Eventually, I came back...WHY? Because I just love playing, writing, and recording my own music! So, I decided to put a few of my recordings on what started out to be a self-titled CD, but quickly got nick-named the "I LOVE DRUNK WOMEN" CD. Everybody seems to get a real kick out of this song, and HEY if people like it that much, and it makes them laugh, than that's the best reward I could ask for, and laughter is one of the greatest gifts you can give someone. I have had people tell me that " I LOVE DRUNK WOMEN" is one of the best sing-along / party songs they have ever heard! Now, you can decide for yourself. Most of these songs are good time party music with a couple of tasteful ballads thrown in like "SOMETHING TO BELIEVE", an inspirational power ballad that has been used as the first dance at several weddings. Additionally, "THE ONE I LOVE SO MUCH" takes on a more folk-rock format. On the other hand, "TEARS FROM AN ANGEL" is gut-wrenching blues that should be enough to leave any blues fan satisfied. "SLIDE ALL NIGHT" is three minutes of non-stop line dancing. "DON'T PULL THAT STUFF ON ME" and "TOUCH AND GO" are both funky, up-tempo, dance your ass off, fun for everybody songs. And last but certainly not least is the #1 track "SAME OL' BLUES!" Crank this one up, and you're in slide guitar heaven. Well, all I can tell you now is to check out a few of the sound clips and decide for yourself. Please let me know what you think! I want to know. THANKS FOR LETTING ME ENTERTAIN YOU! TIMOTHY DALE "Timothy Dale may be the ultimate bar singer. Striking a balance of down home intimacy and world-weary blues, he punches up the songs with a roadhouse

voice and down and dirty slide guitar playing." John Harper-The Virginian Pilot / The Coast-Nags Head NC. "The CD is well produced and packed with a bunch of really fun blues tunes. The arrangements are professionally done with just the right mix of colors and fills. Timothy's blues are sung in a gruff voice reminding me at times of Steve Earl." Michael Buckley-WRNR Radio / The Music Guide-Annapolis, MD.
