

Mp3 Warren Bloom - Thanks For The Fantasy

[DOWNLOAD HERE](#)

Folk Rock and country mix 22 MP3 Songs FOLK: Folk Pop, COUNTRY: Country Folk Details: Warren Bloom is one of America's premiere musical Renaissance men. A singer songwriter, percussionist and harmonica player, he has penned, performed and recorded songs in many musical genres: Ballads, Reggae, Folk, Country, Hard Rock and Classic Rock and Roll. Bloom's first album was as a member of "The Facedancers" on Paramount Records. The album was produced by Teo Macero, The legendary producer of Miles Davis. Hall and Oates played on and produced Bloom's rendition of "Natural Sinner" on Jamie Records. His original song "Bonfire" was preformed live by Pat Benatar. Through out his career, Warren has garnered an amazing array of kudos from his peers. Darryl Hall said, " You sing better than me!" No less a luminary than Lou Reed said "You really know how to sing the ballads, and that's the hardest thing to do." Pat Benatar remarked, "You remind me of Bob Dylan, your style is so original." Jim Quinn of the Philadelphia Inquirer wrote, " Warren Bloom can do anything with his voice, and apparently isn't afraid to try. It's nice to hear some sing in his own voice."
