

With A Bended Bow: Archery In Medieval And Renaissance Europe - Erik Roth

[DOWNLOAD HERE](#)

Through centuries of war in Europe, the English medieval archer was the most powerful force on the battlefield. In *With a Bended Bow* Erik Roth presents a comprehensive examination of the archer and his weapon in a time when archery was both economically and militarily vital to the security of England, based on the study of medieval writings and period artefacts. As an accomplished artist, his illustrations are an invaluable aid to understanding the manufacture and use of the bow. The book examines the types of weapons and kit produced by guildsmen, the materials used and the work of different specialists including bowyers, fletchers and stringers. It also details the life of the archer himself, how he cared for his equipment, learned to shoot and fought for his country on the battlefields of Scotland and France. *With a Bended Bow* gives an exceptional insight into the tools, training and fighting techniques of the soldier who defined medieval warfare. Author: Roth, Erik Publisher: The History Press Illustration: Y Language: ENG Title: *With a Bended Bow: Archery in Medieval and Renaissance Europe* Pages: 00256 (Encrypted EPUB) On Sale: 2011-11-30 SKU-13/ISBN: 9780752463551 Category: History : Military - General Category: History : Europe - General Category: Sports & Recreation : Archery
