=== Dear Friend, There is so much emphasis on Search Engine Optimization (SEO), traffic generation, and various forms of marketing online today. Not that there is anything wrong with all these methods of profit generation, but the truth is many people are not seeing the big picture. You see, when you create a product, you are a businessman. An online entrepreneur. And entrepreneurs dont do all the paper work, balance accounts and clean up the place They hire people to do all those for them! Yes, traffic generation, SEO, and building up your sites are important. But these take time as well...and time is money. You cannot be spending time taking on all these duties if you want to expand your business fast.

That is where affiliate marketing comes in. You'll get someone who takes your products, sells loads of it and earns a cut of the overall sale. Imagine this: An army of affiliates in the hundreds promoting your products all over the world. True you may have to pay them huge commissions, but that will be dwarfed by the amount of overall profits you reap, won't it? Of course, after spending heaps of time, money and effort creating your own product, you may wonder: how many more sacrifices do I have to make for my product to transform itself into a powerful, money spinning machine? Not much actually...you see, if you are clueless about roping in hordes of affiliates to expand your business, of course things will be tough. But I'm here to show you how, over the years I honed the art of convincing, enticing and getting loyal, hardworking affiliates to promote my products while I sit back, relax and reap the profits! This guide reveals all you've ever wanted to know about having a massive army of affiliates who will promote your products like zombies and all you'll need to do is sit back and reap the harvest! A few things you will discover in this guide include: * Why promoting your product through an affiliate network is the easiest way for affiliates to get paid * Setting a good commission payout so your affiliates will be happily motivated and your sales rates skyrocket! * Other methods to motivate your affiliates and have them pumped and ready to pull in massive profits for you! * Important tools you need to provide your affiliates or they will be disheartened and walk out on you! * How to get news of your launch across to prospective affiliates effectively and powerfully! * Reasons why you should offer a review copy of your product to your affiliates to explode their numbers! * One off-line place where you can recruit potential affiliates while enjoying yourself at the same time! * Using the forum to keep an eye on your rivals and promote your product without sweat! * Why some marketers out there rave about the Two Tier affiliate system and how it explodes your affiliate foot soldier platoon size like nothing else! * A sneaky, little known method that brings you free and quality traffic for your product and affiliate programs! * Leveraging on web 2.0 as a free and effective affiliate recruitment center! * One simple tool journalists use that could generate fast and furious interest in your affiliate products! And much, much more! I'm not going to slap you with any silly guru please buy me or else message. The step-by-step, detailed methods inside this guide work. Period. You have two options now: Either continue to do things the way they are, hope for change and wonder why you have not attracted top selling affiliates to your sites OR Grab a guide which shows you the no BS, simple yet detailed method of attracting hordes and hordes of affiliates who will willingly and desperately want to promote your products for you. And all you need to do right now is... P.S This offer
