Favicon Creator Only 10 Of All Websites Maximize Their Exposure Through The Use Of Favicons! Does Yours? Ebay uses them. Yahoo uses them. Nearly all of the top websites use "favicons" to help enhance their bookmarks. In a massive list of 200+ bookmarks, your link can quickly become forgotten unless you're using a "favicon". With the new Favicon Creator software, you can instantly and easily create both favicon and program icon graphics. There's absolutely nothing to it! Choose your graphic and then the size of the icon you need (the software's default is set for favicons). After rendering your favicon, you simply copy in a line of code to your webpage and then upload the favicon and webpage to your server. That's it! Don't let the top websites have all the fun! Build YOUR favicon today!
