Seattle-area resident Tanya Rider crashed her blue SUV in 2007 and disappeared without a trace. Her husband, Tom, reported her missing and found himself at the center of a police investigation. Eight days after the crash, Tanya's rescue against all odds was covered by every major national media outlet. She had survived for more than a week in a wrecked car that had become her potential tomb. This is the story of her survival and her husband's fight for justice.
