Psychedelic jazz-funk blended with rock, hip-hop and reggae. 74 minutes of music. 14 MP3 Songs

URBAN/R&B: Funk, JAZZ: Jazz-Funk Details: The Q is funk master of his world, where remnants of the disaster, have been composed in heart flows so the blood grows thick and still moves faster. Slick like slide of bass nectar, on which soul glide and ride a rising positive tide into the timeless pools of the here not after. Here for satisfaction, love the seventies, but watch the world stage cause we are history in action and q ben is point man. Man on point. Move on over now or join in, cause he's about rock this joint. Born Benjamin Beaudoin, q is a self styled fountain of production carved on the mountain of the man is an afro sketched to perfection. A path of art devotion. A well as deep as the ocean. A prolific producer in perpetual audio visual motions!!! Afro Q Ben is a multi instrumentalist who plays the bass, guitar, drums, percussion, keyboards, and sings. He produces and engineers his own music and also performs as "Afro Q Ben" and plays bass for numerous groups such as Luminous Fog, Zelly Rock, Don Dignataries, and Lafa Taylor. The Wagon Crew is another group, which is a mobile funk party dance machine, powered by a boat battery. This group can be seen at clubs or accross the desert. Afro Q Ben has released 3 albums. his first album, "Hi-Fi Fro Funk" 2003, "Luminous Fog" 2004, and "Keep Movin' On" 2007.
