Guitar driven pop rock with rich melodies set to honest and challenging lyrics. 10 MP3 Songs POP: Today's Top 40, POP: British Pop Details: Through stepping out and pursuing your dreams, one is usually met with much adversity. While trying to do that with his own life, Alex Nifong found it to be a great source of inspiration when writing songs. After playing guitar for other artists live and in the studio for several years, he decided to create his own brand of pop rock music. Combining musical influences that range from Coldplay, to Switchfoot, to John Mayer, he's written songs that speak honestly from his own life's experiences, sharing what he has learned along the way. Seeing others enjoy the music and be encouraged and challenged by the lyrics are some of the greatest rewards which motivate him to keep creating.
