

Mp3 Cass Harrison - Sauce From The Source

[DOWNLOAD HERE](#)

A poly-rhythmic jazz interpretation of an emotional mixture - hot, spicy, smooth and sensuous 6 MP3 Songs JAZZ: Free Jazz Details: Cass Harrison is back! The brilliant pianist/composer presents a stunning display of piano virtuosity. New York-born, Cass Harrison studied classical piano and composition at Julliard. He travelled with the big bands of the 40's and his own groups throughout the United States and South America. He is remembered for his award-winning MGM jazz recordings of the Cass Harrison Trio - "The Duke And I" and "Wrappin' It Up", among many others. As a New York producer for twenty years, Cass was known to all in the music and entertainment world. Now living in Puerto Rico, Cass Harrison returns with "SAUCE FROM THE SOURCE". It is an embodiment of his talent and touch of genius as evidenced in his original writings and free jazz.
