Fat bass lines and subtle undertones of melodic zaniness emanate to combine this mixed genre called Psychedelica. 9 MP3 Songs ELECTRONIC: Psy-Trance, ELECTRONIC: Drum 'n Bass/Jungle Details: Music makes the world go round. What with technology in this day and age, it is possible for each and every one of us to create and share and develop our skills. Coming from a percussive background, Kevin has developed this in the electronic medium which incorporates his rhythmic skills into this zany array of emotion. Kevin's music influences began with 80's metal and have progressed to include most other genres including psy-trance, electronica, jazz, blues and everything inbetween. He uses his music to express emotions and climb to higher planes whilst still forming that bridge of stability between reality and psy fiction. Fat bass lines and subtle undertones of melodic zaniness emanate to combine this mixed genre Kevin calls Psychedelica. Mixed genres galore bring this together to form an interesting masterpiece. Go on...take a peek inside...
