Veronica Schwartz, Des Plaines Public Library, IL. Here are some Daffy Dave Fan comments about his music, shows, etc.: "Your songs are really very funny but not stupid. Each one is meant to teach but in a very original way. You matched popular songs, rock and roll, cool music with fun and education. . .and you hit the mark!!!" Piera Vernice, Teacher, Rome, Italy "My kids are always so excited to hear your (CD) and now they have their favorite requests. I put on (the) CD in the car for crowd control and everyone gets a turn picking out the next song -- whew!" Vicki Wegman "Daffy Dave I really like your CD because it is very funny. Can you try your hardest to come to my birthday party?" Isabel and her brother Ellis "Hey Dave, We wanted to thank you for creating such a swell CD. We start every day with it and have learned all the songs by heart." The Lonskys "You know why I like Daffy Dave? He makes me pee my pants!" Connor, age 5 Dear Daffy Dave, My son received a gift of your cd when my daughter was born. It has grown into his all time favorite cd. He is 2 1/2 years old and we listen to your cd at least 5 times per day. The first thing he does when he wakes up in the morning is turn on his cd player and dance. Everyone who comes over to our house he makes dance with him. He likes you better than the Wiggles! Anyway, if we ever plan a trip out to California, we will need to come to one of your shows. Until then, we will continue to enjoy your music on our cd player. Thank you, Deborah O'Neill Stoneham, MA Daffy Dave is one of the rare performers who appeals to adults and children equally... ..Many of the songs on the CD are Dave's original tunes, like "Nanny-foof-N-Nanny" and the story song "What Shall We Do with a Scary Monster?" These will appeal most to kids who have seen one of Dave's numerous shows in the Bay Area...

...Several of the songs will get listeners up and dancing (or if they are in the car, at least they can clap along), including "The Hop-Hop song." In "Elvis Pokey" Dave imitates Elvis while singing "The Hokey Pokey," and he invokes Bob Dylan when singing "If You're Happy and You Know It." This recording will be a sure-fire hit with wide range, will appeal to audiences who have seen Daffy Dave, and will create a demand for new audiences to have Dave visit their libraries. Penny Peck San Leandro Public Library San Leandro, CA (Here's a review from another satisfied family. It also includes mention of the Daffy Dave Tree Fort Video which will be re-released into DVD format in the fall of 2006): "Our whole family loves Daffy Dave's Tree Fort. My children laugh hysterically every time they watch it. I love the environmental messages that permeate throughout the video. We need more opportunities to smile and laugh while taking care of Mother Earth. Thank you Daffy Dave and Friends for all that you do!" Alisa Greene MacAvoy, mother of two girls and former U.S. Environmental Protection Agency Manager ps. Clara and Marissa listen to your bedtime CD every night before bed and have for the last month. They love it! And, of course they still watch your DD Tree Fort Video and listen to the other CDs And some more: Hi Dave, We have all missed you since our move to Portland. Seems like Hope is now a bigger fan than Wiley but that's probably mostly because she is still happy with the repetition of seeing the same videos and listening to the same CDs over (and over and over) again. We wish we could be at Taxis to see you and get a silver balloon light saber and a pink puppy. Hope is here with me. She says she wants you to come to her house for a party. Really if you are ever in Portland, please look us up, we can show you around. And more... jackie says she only wants daffy dave everytime everywhere! you were a big hit. we thank you so much and hope to see you at more of the parties in our area. all of the moms loved you too:) barbra (Barbra Ross, MD, Belvedere, CA) Here's another: "Dave, thanks for the CD's. My mom's friend has a daughter that thinks you have "hung the moon!" You are her favorite. She loves you. Two friends of mine have kids who are dying to meet you. What is your secret power over kids? If you bottled it, you could make millions! Cheers! Steve Stanley (trumpet player for "Big Bang Beat", "Aja Vu", and on Daffy Dave's 2nd album) Dave, .I'm always looking for fun, creative songs that I can picture kids enjoying. Yours are great. I don't even know you and can tell you are gifted person who is truly blessed with a wonderful talent. You are obviously fully alive, which is refreshing anywhere! Thanks again and I will be buying more of your CDs. I already got some from Itunes...I'll recommend them to others. Carla Smith Kentucky Hi Dave! I've been meaning to send you a quick thank you note and I'm sorry this is a bit

delayed. I wanted to let you know what a wonderful show you put on for my 5 year old twin boys, and their friends ages ranged from 2-7 years old, including all the parents. I have never seen a group so engaged, belly laughing and screaming with delight, and that included the parents. Your comedy and magic enthralled EVERYONE and we can't thank you enough. One of the parents of a 5 and 7 year old told me that your comedy was perfect for the kids and she was suppose to just drop them off at the party but ended up staying. Once your show started, she didn't want to leave. Again, thank you for a memorable show!! Regards, Kathy Reed Mill Valley, CA
