Two scotsmen who write lyrics about emotions we lock away,with tunes that express moods from latin beats with indie swing and hippie pop/rock. 11 MP3 Songs EASY LISTENING: Mature, WORLD: Western European Details: Hi there! Were fetter johnston new independent songwriters, My Damn Cheek! is a selection of songs that get into bed together, mature, deep, but also fun. An album you can play anytime,play it loud when you come home from the pub on a Saturday night and youll dance,play it quietly on a Sunday morning and youll chill. Robert Fetter has sung and played guitar since he was 11 years old and knows all the chords,influenced by the likes of the Beatles, Stones,Kinks, Small Faces, Turtles, Who, Buddy Holly, Bob Dylan, The Byrds, Creedence, to name a few. Alan Johnston is a poet,lyricist,singer percussionist, influences similar to RFs, but with Springsteen, Neil Young and the Gypsy Kings in the mix. Thru inspiration and hard work we have given birth to original songs with chord stuctures never heard, and stories never told. ENJOY! fj.
