The Real Deal - barn-burning, toe-tapping, high energy, Bluegrass with traditional high lonesome harmonies and instrumentation like you'd hear them if you were sitting in a club listening to your own favorite performers live and in person. 12 MP3 Songs COUNTRY: Bluegrass Details: Live music, high lonesome voices cutting the air, rough and raw and driving - the REAL DEAL! Bluegrass as it was meant to be. This is what you would hear in a club or a barn dance in the mountains far, far east of here back in the day. People listening, dancing, laughing, drinking, shouting, crying, living their lives through song. Heartbreak and Loneliness, Grizzly Peaks first CD, was recorded live in the studio. Our goal was to record the way we play - live on the stage together. This is our interpretation of the REAL DEAL! - loud and clear, full of life, love, heartbreak and loneliness.
