Then, one day they broke out with their first song, "No More". They performed it for friends and neighbors; everyone was impressed at the emotional and real-life lyrics, and the second their two voices started to harmonize....they caught everyone's attention. After writing many more songs together and doing some local gigs, jonesin' recorded their self'debuting album in the winter/spring of 2003. This album was produced by Russ Dixon from the group Colors and features many extremely talented guest artists such as: Ryan Shupe, David Tolk, Rich Dixon, Craig Poole, and Craig Minor. Oh, by the way...jonesin', by definition means: a persistant emotional yearning!
