Details: I started out by singing the Hallelujah Chorus from Handel's Massiah,in my crib,at the age of one and one half years old,and paino at age three. My mother Camille Elaine taught me until age five,then Daddy said he thought I should go to another teacher that did not punch and slap me when I would clown around when mother,who at the time was a noted public school music teacher,church pianist and organist,tried to teach me music. ...So many great teachers,recitals,concerts with the choir,with my friends and fans fanning the flame that heats our musical life... Thank you! Enjoy your life! Never give up! KAX P.S. Thanks to Rudy "Rude Dog" K. and his staff at the Chicago Tribune,for the cool job I do for the people. This is a cool job for veterans and musicians. ...I love working outside and outhere... PEACE Get the 18 page book "Letter Home" in CD hard copy BABY!
