

Mp3 Mark Joyce - Surprise Party

[DOWNLOAD HERE](#)

Obscure eccentric songwriter blends British and Delta influences into original songs. "...a solid collection of interesting material with a wide range of sonic variety" Alt/Rock/Pop/Folk/Country/Blues - rockin/pretty songs. Fun 4 your ears. Limited quanti 11 MP3 Songs ROCK: Modern Rock, POP: Beatles-pop Details: Very close to being a sold-out collector's piece, this debut solo disc features some outstanding examples of unique songwriting production techniques. Several tracks are highlighted by excellent instrumental work by guitarist Bob Enik. Guest appearances by axeman Tom Lally and Phil Calson on harmonica spice things up, and as always the polyrhythmic percussive pulse of Ed Morrill provides the flow and locomotion. Apply blindfolds and it's a tinyHUGEalbum...Surprise!(Originally titled "The Emperors New Clothes", a last minute snafu changed everything.) Sure to be a collectors item. "Baby Doll" "Sweet Angel" kick it off pretty. Once again the Gr8Trax crew has tracked various sweet, strange, happy accidents into a one of a kind album. Take your mind off Terrorism, the disintegrating environment, and other elements of this swirling, roiling, out-of-control existence by applying these frequencies to your audio soundtrack...Fall into an amnesiac abyss as these tunes transport you to a comfortable mental frame, Rejuvenate your subconscious with a short vacation from the grinding apprehension and terrifying pressures of reality, by releasing your tortured inner self from the mainstream. Roll this pleasing sonic substance into your cranial cavity and let it vibrate for awhile and possibly relieve your battered spirit. Forget Bird Flu, Global Warming, The Politics Of Greed, The Decline And Fall Of Western Civilization, Monkey Pox, Celebrity murderers all that stuff! Escape Reality. Suggested tracks: Nothin Much Matters, Start All Over(Pretty) - Big Trouble Tonight, Watch Yourself (Tough) or, pick a track at random...
