Country/Rock 10 MP3 Songs COUNTRY: Country Rock, COUNTRY: Modern Country Details: Mark was born in Virginia, raised in North Carolina and finished high school in Tennessee--a true "wild-eyed southern boy". His musical background started when he was twelve years old, playing clarinet and saxophone in school bands. At the age of fifteen, Mark started playing guitar and singing. After high school, Mark spent twelve years playing with military bands in Korea, Japan, Germany and the United States. Mark has also played several concerts backing "The Temptations". Although Mark's musical background is firmly rooted in country music, his stage show includes songs from groups like The Eagles, Eric Clapton, Lynyrd Skynyrd, and Billy Joel, with a little R&B and folk thrown in as well. Even though Mark has had a successful career working with bands (mostly playing guitar and singing) for over fifteen years, the last several years have brought about a gradual rise in popularity for his work as a solo performer. During 1997, Mark worked with the band "Fiedel Joe Co.", a popular German country band from Westerwald. There he met the guitarist Christoph Schmitt and formed the duo "Mark Meets Chris". Mark has restarted his own band "The Mark Merritt Band" as well as playing solo and duo gigs. Mark plays approximately 200 shows a year throughout Germany, Austria, Luxembourg, and Denmark. To date, Mark has released 3 CD's "Cobblestone Streets..." and "Reasons", on Avance Records, and "If I Could Do It All Again" by Tyrolis Music.
