

Mp3 Metafix - While Mars Sleeps

[DOWNLOAD HERE](#)

Trippy Martian Shit. 15 MP3 Songs in this album (78:33) ! Related styles: ELECTRONIC: Psy-Trance, ELECTRONIC: Trance People who are interested in Juno Reactor Astral Projection Infected Mushroom should consider this download. Details: My goal has always been to make music that was completely electronic and yet could still play with the emotions as much as any natural stimulus. Portamento mood swings, Spacey Metropolis echo effects, a variety of atmospheres, the future of nostalgia. There's a newer cd "Electric Audio Acid Test" which is mostly experimental. please check it out as well:
cdbaby.com/cd/metafix2 Metafix is now on Myspace, there you can download (a few) entire songs and be updated as to when the next album is: myspace.com/metafix2
