Traditional folk: Christmas and midwinter songs customs 16 MP3 Songs FOLK: Traditional Folk, FOLK: British Folk Show all album songs: Hail Smiling Morn Songs Details: Nowell Sing We Clear was developed by Tony Barrand in 1975 to present the traditional music of Christmas: the story of Jesus as preserved in (mostly English) folksong, and customs such as wassailing and mummer's plays associated with the midwinter season. The performers are Tony Barrand, John Roberts, Fred Breunig and Andy Davis (who replaced original member Steve Woodruff), and they still present this show annually, mostly in and around New England. "Hail Smiling Morn" is the third CD release of the group. This album, like their other recordings, features four-part a capella harmony as well as arrangements featuring fiddle, accordion, concertina, banjo and drum. Complete lyrics and notes to this and all our recordings are on the Golden Hind website at [goldenhindmusic.com](http://goldenhindmusic.com). NOTE: We use the older English spelling "Nowell" for our name. Searches on "Noel Sing We Clear" may not find us - and we wouldn't want that to happen!
