Mary Love Comer shares her personal life's tragedies with you through her music so that you might know that prayer truly does change things and God still answers the prayers of those who will ask Him. healed through his performances at group homes and churches. Included on the CD are Mitchell's R&B-influenced tune "Show Me" and his inspirational song "God Forbid". Mitchell also writes music for plays and movie scores. Jane Hairston is an accomplished and professional vocalist and has been for over 30 years.
