**WORLD: Reggae, HIP HOP/RAP: Hip Hop Details:**

**THE ORIGIN OF PROPHET AND THE TRUE WISE CONCEPT** Jason Howard Holley a.k.a. Prophet was born in Brooklyn N.Y in the 70s . By the time he graduated high school on Staten Island, the whole of the Island (Shaolin) knew him as Prophet the Mad Monk from the Wu Tang Inner Chamber. When Wu Tang Clan, Prophets high school mates, got their record deal and coined the phrase Wu Tang, many artists from Shaolin stopped referring to the Wu Tang Slang, lest they would seem as imitators. Although the Wu Tang Slang was common to all rappers on the Shaolin, not just the ones that got signed. This was when Prophet began calling his personal way of delivery, the True Wise style. True Wise, is basically the combination of two elements. The truth about the harsh realities of project living, and the wisdom that can also be found there. It was in the ghettos of the Shaolin, the projects of Park Hill and Stapleton, that Prophet learned both. He learned from the streets, but he was also drawn to the vibes of the Rastas that were in the community. By the time he had turned 16, he was wearing his bongo dreadlocks, spending much time reasoning with the elders in the weed spots, and learning about H.I.M. Haile Selassie, Marcus Garvey, and many others. Though Prophet grew spiritually throughout the years, he never forgot where he came from. Even after repatriating to Shashamane, Ethiopia, Prophet continued to bridge the gap between what was popular at the time in the West, and the wisdom of the ancients in the East, through his music. Over time, the two became inseparable. Now you can hear Prophet rapping reality as it is, on the True side of his album, and singing reggae with a message on the Wise side. Often cross- breeding the two together, the lines between the two sides are not always so black and white, but become gray.

Anyway, thats life, isnt it? So dont be surprised if you hear Prophet cussing and going on as bad as the baddest, and then switch into the Holiest of Holies. Its all part of the plan! Just get in where you fit in and the rest will grow on you. Seen?! So we hope you enjoy ours, and Prophets, Debut album release: THE CALLING One Love. Prophet @ TWRhino Records
