Energetic. Refreshing. A remedy to reggae music. These are three descriptions that come to mind when you think of Ras Rebel. His positiv 8 MP3 Songs WORLD: Reggae, WORLD: World Beat Details: Ras Rebel, is a high-energy singer who brings forth reggae music in the form of the urban warrior. Having toured through California, Hawaii and the Eastern United States, Ras Rebel has headlined major festivals and played countless shows. Ras Rebel sticks to the traditions of old-school reggae by bringing the teachings of conscious lyrics and hard-hitting rhythms with his roots songs, while dropping the occasional club-banger for the djs in the dancehall.
