the perfect example of a chillout album..a mixture of drum bass, acid jazz, hip-hop, trip-hop, r&b, dance and anything else that sounds good. 15 MP3 Songs ELECTRONIC: Drum 'n Bass/Jungle, ELECTRONIC: Trip Hop Details: You have been hearing about Nightshift Productions here on CDbabyfor some time now. By way of artists/producers, Rasheen (produced the critically acclaimed Abstract Art 1 ,and soon to be released Abstract Art 2) and Sudan Life (produced the avante-guard Dark Wind City, critically acclaimed "Sporty" James Project, and the Villanova E.P.). Also by association from the Mood Doctors, produced "Bump This" on the Mood Doctors critically acclaimed "General Medicine". The New York City natives, Rasheen from Far Rockaway, Queens and Sudan Life from Jamaica, Queens, have moved to the quiet, and slower cities of Richmond, VA and Rockville, MD respectively. Along with the entities named Dirk Dodge and NOVA950 (STILL HAVE THE NY STATE OF MIND!!!)...They continue the music that they enjoy to create. Now The Nightshift has finally come together to create this chillout full-length LP to the masses!! One person describes the duo as the "OutKast of production". "Two producers with completely different styles that compliment each other perfectly." Rasheen blends melodic sounds with his style of acid jazz, world music, and rhythm blues. And Sudan Life "sample the whole planet"-style, with hard hip-hop beats along with the drum bass style, and the unpredictable styles of Electronica, Ambient and Break Beat styles that Dirk Dodge and NOVA950 brings to the table!!! This CD has all the styles that the Nighshift possesses, for all to enjoy! ***SHOUT OUTS GOES TO THE ILL MINDS DIRK DODGE THE DARKE KNIGHT AND NOVA950 THE AFRO NAUT...NEW MEMBERS OF THE NIGHTSHIFT (THEY ALWAYS HANGING AROUND SO WE DECIDED..OKAY...!!!!***** SHOUT OUTS TO ALL THE INDEPENDENT
