

Mp3 Shelley Wyatt - Shelley

[DOWNLOAD HERE](#)

Shelley Wyatt's acoustic guitar earthy voice are sure to make your spirit soar. 12 MP3 Songs FOLK: like Joni, EASY LISTENING: Crooners/Vocals Details: This Canadian/New Zealander singer songwriter closes her eyes and opens your mind and heart with every song she performs. She sings of leaving, loving, living, and learning. She has been influenced by legends like Joni Mitchell and Fleetwood Mac. Shelley has spent her adult years sheep shearing, planting trees, milking cows, and trying to understand the world a little bit better. And throughout her travels and endeavors she has met a rainbow of people who are the inspiration for each of her songs. Her album "Shelley" was recorded in 2004 in Winnipeg, Manitoba, Canada at Studio 11 with Jason Gordon. Track four of this album "Sky Band" has won the "The Song of the Year" monthly contest for July, 2006 under the Folk category. Shelley has written over 50 songs and now has settled down in Sunnynook, Alberta, Canada. You can check out her website shelleywyatt.com.
