

Mp3 Silent Violet - Sounds Of A Dirty City

[DOWNLOAD HERE](#)

Do you love artists like Dido, Sarah McLachlan, Imogen Heap? If so, you will love Silent Violet. Composed of beautiful vocals and trip-hop to pop influenced beats, her music can simply be described as breathtaking. 11 MP3 Songs POP: with Electronic Production, ELECTRONIC: Pop Crossover Details: Silent Violet is a collaborative effort between two siblings - Mariam and Michael. They both come together with a passionate desire to create music that is not only original but also aesthetically pleasing and satisfying to the human ear and soul. Based out of Detroit, this independent duo is getting things kicked off with their upcoming debut album entitled "Sounds of a Dirty City." The elegant sounds of Silent Violet range from relaxed trip-hop/downtempo to upbeat electronic indie-pop. From Michael's complex beat arrangements and meandering effects to the vintage keys and the piano, every aspect of instrumentation supports Mariam's breathe-taking and enlightening vocals. Silent Violet is a promising artist that will continue to work hard in creating well-designed and graceful artistry for any listener seeking an original and captivating musical experience.
