"Stardust" is an important piece for any progressive trance dj, an electronic music collec 10 MP3 Songs ELECTRONIC: Progressive Trance, ELECTRONIC: Electro House Show all album songs: Stardust Songs Details: SPYRAL-ORBEET: JUAN CARLOS CORTES (DJ Spyral): Started his career as a DJ ten years ago mixing the 90s pop music with the electronic music of the 70s and 80s. Along these years as a DJ, Spyral has played his music in clubs alternating with well known artists in this field such as Hernan Cattaneo, DJ Klang, Ramiro Puente, Martin Parra and Yamina C4 among others. He graduated from G. Martell University of Music (Mexico DF) as a Sound Engineer Disc Jockey and Producer of Electronic Music. He has worked also in the organization of several festivals and events related to this type of music. In 2002 along with his personal friend Esteban Howell, Spyral accomplished his first work in Central America known as Spyral Howell. This work has had good acceptance in the field of electronic music in Latin America. At the present time Spyral is working in the production of his original music under the name of Spyral-Orbeet. The tracks of this CD have been mixed by famous DJs such as Sandra Collins and Hernan Cattaneo, John Digweed Voyager among others. In 2004, his first single Voyage to the Bottom of the Sea was edited and published in the CD Love Parade Mexico (BMG Records) In 2006 a second song of his CD The Center of Everything formed part of the U.K Internet Radio Show "Transitions" / Podcast Edition No. 5 - produced by John Digweed Voyager.
